

MAR 30 2007

Docket No. 520.43596X00  
Serial No.10/791,823  
Office Action dated January 25, 2007

**REMARKS**

By the present Amendment, claim 5 has been amended. No claims have been added or canceled. Accordingly, claims 1-8 remain pending in the application.

In the Office Action of January 25, 2007, claims 5-8 were rejected under 35 USC §112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter regarded as the invention. Regarding this rejection, the Office Action indicates that claim 5 recites the limitation "said system" which lacks proper antecedent basis.

By the present Amendment, Applicants have revised claim 5 to correct the language recited therein, and provide proper antecedent basis for the limitation. Specifically, the limitation "said system" has been replaced with --said electronic apparatus--. It is therefore respectfully submitted that the rejected claims (5-8) now satisfy the requirements of 35 USC §112, second paragraph.

The Examiner's indication that claims 1-4 are allowed is noted with appreciation.

Since all instances of indefiniteness have been remedied, and no art rejections are pending, claims 1-8 are believed to be in condition for allowance.

For the reasons stated above, it is respectfully submitted that all of the pending claims are now in condition for allowance. Therefore, the issuance of a Notice of Allowance is believed in order, and courteously solicited.

If the Examiner believes that there are any matters which can be resolved by way of either a personal or telephone interview, the Examiner is invited to contact Applicants' undersigned attorney at the number indicated below.
